Our work this afternoon will focus on **aligning our systems and using data to drive decisions**.

- Discover the connections between the state board’s *Kansans Can* vision and the new Kansas Education System Accreditation process.
- Identify how these align with your local district’s vision of success for every child in your community.
- How do we use data to make sure we are focusing on the right work to make a difference?
- What is my role as a district leader?
