

Spring Regional Roundtables for Board Members & District Leaders

Join your fellow board members and district leaders for the KASB Spring Regional Roundtable. KASB provides focus topics, and the balance of the meeting will be devoted to specific areas of interest to each region. Meetings begin at 5:30 p.m. and will last no longer than three hours – plenty of time for good discussion, sharing ideas and networking!

About These Regional Roundtables

Last year the Gannon School Finance Lawsuit resulted in a new school finance plan for public schools, and the plan met the Kansas Supreme Court's test as a constitutional school funding formula.

Schools are now under renewed scrutiny to demonstrate results. How can you as a school board member and district leader make sure your schools are doing the right work to improve achievement?

Find resources to support these topics at kasb.org/leadershiponline "Spring Regional Roundtable Discussions"

- **School Finance – How are you prioritizing your resources for the upcoming fiscal year?**
 - *Attending one of KASB's Understanding and Maximizing School Funding for School Boards workshops would be a great primer for this discussion. See details at kasb.org/training*
- **Aligning District Goals - How are you being accountable for your district's/board's priorities?**
 - Building the Accountability Process (videos available at kasb.org/leadershiponline)
 - 9 Questions About the Board's Focus
 - Setting Your Board Agenda for Student Success
- **What actions are you taking as a board and district to acclimate new board members to the board?**
 - Orientation Plan for New Board Members (available at kasb.org/leadershiponline)
- **Legal Top Topics**
 - KASB attorneys will be on hand to answer your questions
- **Local Issues**
 - What are the opportunities and challenges unique in your district and area of the state?
